Digital Programs Overview

Program	Grades	Subject	Information	How to Login (if applicable)
Zoom	PreK-8	All	Zoom is the platform we use for all live instruction and meetings. Students will receive invites that include directions for how to log in prior to the class.	Scholars will login through Clever.
Clever	PreK-8	All	With Clever, everyone has a personalized portal with a single login for all of the online programs and resources we use.	Scholars will login by going to the Akili homepage.
Google Classroom	PreK-8	All	Google classroom is where scholars will go each day to see announcements from teachers, assignments for the day, and any feedback given from previous assignments. Parents can opt in to get notifications about assignments by request. Students must check Google Classroom daily.	Scholars will login through Clever.
Edulastic	PreK-8	All	Edulastic is a technology-enhanced assessment platform. Scholars will take major assessments, for ELA, Math and S.S., using this platform. Major assessments will take place on a pre scheduled Friday.	Scholars will login through Clever.
Second Step	PreK-8	SEL	Second Step SEL is research-based, teacher-informed, and classroom-tested to promote the social-emotional development, safety, and well-being of children from Early Learning through Grade 8. Scholars will take part in multiple SEL lessons each week during community meetings (Prek-4 grade) and advisory (5th-8th grade).	Middle School scholars can log in through Clever
ST Math	PreK-8	Math	ST Math is a PreK-8 visual instructional program that builds students deep conceptual understanding. ST Math's unique, patented approach provides students with equitable access to learning through challenging puzzles, non-routine problem solving, and informative feedback. Scholars will receive assignments to complete each week.	Scholars will login through Clever.
FUNdations	PreK-4	ELA/Phonics	**Fundations**® is a multisensory and systematic phonics, spelling, and handwriting program that benefits all PreK-3 students. Scholars in 4th grade will continue the program from where it was paused last year to ensure mastery of phonics skills. These lessons will take place live	N/A
			on Zoom. Scholars will have Fundations 3 times a week.	
Lexia	K-4	ELA	Lexia's research-proven program provides explicit, systematic, personalized learning in the six areas of reading instruction while targeting skill gaps as they emerge in grades K-4.	Scholars will login through Clever.
Zearn	K-4	Math	Zearn Math is a complete math program that provides Common Core aligned math lessons, personalized to individual learners, and based on Eureka Math. Lessons focus on three critical components: deep understanding, fluency, and problem-solving. Students will complete a lesson a day.	Scholars will login through Clever.
In Sync	K-8	ELA and Math	In Sync makes knowledge unstoppable by taking everything you love about Eureka Math and Wit & Wisdom while adding short, digestible videos for each lesson. In Sync offers over 1000 daily video lessons, at-home access to digital classwork, a curated core text list, and English learner support. In Sync offers downloadable, fillable PDFs that allow students to show their work and communicate with teachers via annotations and comments. Scholars will be assigned a lesson a day for both ELA and Math.	Scholars will login through Clever.
IXL Math	5-8	Math	IXL provides thousands of skills that match what we're learning, as well as insights into student progress. Scholars will be given daily independent assignments to complete that support the learning they are gaining through In Sync.	Scholars will login through Clever.
Amplify	5-8	Science	Amplify Science blends hands-on investigations, literacy-rich activities, and interactive digital tools to empower students to think, read, write, and argue like real scientists and engineers. Scholars will receive two assignments each week.	Scholars will login through Clever.

Additional Programs that can be used:

Program	Grades	Subject	Information	How to Login (if applicable)
Flipgrid	PreK-8	All	Flipgrid is a website that allows teachers to create "grids" to facilitate video discussions. Each grid is like a message board where teachers can pose questions, called "topics," and their students can post video responses to that question and each other. Flipgrid empowers social learning in PreK to PhD classrooms around the world.	Scholars will login through Clever.
TypingPal	PreK-8	Tech	Typing Pal is a simple and efficient web-based program for beginners and intermediates who want to touch type at full speed!	Scholars will login through Clever.
Code.org	PreK-8	Tech	Code.org® is a nonprofit dedicated to expanding access to computer science in schools and increasing participation by women and underrepresented youth. Our vision is that every student in every school has the opportunity to learn computer science, just like biology, chemistry or algebra.	Scholars will login through Clever.
Essential Elements Music	PreK-4	Music	Essential Elements Music Class Interactive (EEMC) is a powerful, cloud-based (streaming) system for teaching K-5 general music.	N/A
BandLab	5-8	Music Tech/Beg.Band	BandLab is a music technology software that allows for students & teachers to learn,create,collaborate, & share music created by them from the ground up.	Scholars will login through the website with a unique username & password to them
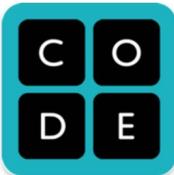

Tonestro For Wind Instruments	5-8	Intermediate/Advance Band	Tonestro for wind instruments is a music practice app that is downloaded through your phone via iOS or android.	Scholars will login through a phone by creating a username & password.
Essential Elements Interactive	5-8	Beginning ,Intermediate & Advance Band	*Essential Elements Interactive (EEi)* is an online resource for teachers to connect with their students outside of the classroom. It allows students to record,submit, and receive feedback from their band directors on specific lines connected to their purchased Essential Elements Book.	Scholars will login through the Clever
